Good vibes, great pours, and the very best local Wellfleet Shellfish Company oysters

Celebrate OysterFest weekend the Wicked Oyster way on the new outdoor patio between The Wicked Oyster and The Wicked Provisions. The Wicked O team will be serving up the best in local fare, pouring funky wines and craft beer, and keeping vibes high with live music all weekend long. Expect grilled jerk chicken, squash soup, braised greens and more – and of course, the best oysters on Cape via a Pleasant Point Oyster Raw Bar stacked with Wellfleet's finest from Wellfleet Shellfish Company. Jazz musicians will take the stage on Saturday and DJ Emerson will be spinning beats to fuel the party on Sunday. Select beer, wine and snacks will be on sale at The Wicked Provisions to keep the party going at home.
